WELCOME TO ASPIRE ENGLISH!

Around the world, being able to speak English will give you an advantage in whatever you choose to do, and at Aspire English you will learn the world's language in a truly international environment.

Based in Sydney Australia, Aspire English offers stand-alone and pathway English courses that can help you to achieve your goals – whether that's to improve your English Language skills or gain entry to College or University. With mandatory national standards and a comprehensive, industry-led quality support framework, at Aspire English you can be confident that you're getting the very best English language education.

So, what do we offer?

General English

Cambridge English B2 First

Cambridge English C1 Advanced

Aspire English is part of the greater community at Aspire Institute and the International College of Management, Sydney (ICMS). This means that your classes will be on the same campuses as these institutions, and you could choose to continue on to a diploma, bachelor's or master's degree once you have successfully completed your English language course.

Australia is one of the most popular destinations in the world for international students. The city of Sydney, with its spectacular student lifestyle and friendly locals, is the ultimate choice for a study adventure abroad. Aspire English's campus locations in Sydney's central business district and in the beachside suburb of Manly are irresistible choices for our international students.

Our Locations:

Northern Beaches Campus:

Fondly known as "the castle on the hill" (where the Hollywood blockbuster The Great Gatsby was filmed and where Nicole Kidman and Keith Urban were married), the 'castle' is a Sydney landmark dating back to the 19th Century. This campus is a five-minute walk to the famous Manly beach and Manly village, well known for its shopping precinct, cafés, restaurants and beachside lifestyle.

City Campus:

A contemporary training and executive education centre in the heart of the city, which showcases a vibrant and innovative learning environment, with expansive classrooms, modern study areas and an abundance of natural light, as well as refreshment facilities.

GENERAL ENGLISH

The General English program is the perfect preparation for students wishing to improve their basic all-round English language skills.

The program has a strong focus on the four core skills of listening, reading, writing and speaking. This will develop the language skills you'll need for English use in your daily life.

Course Features:

- Classes focus on building fluency and accuracy in both spoken and written language.
- Successful General English students at Upper-Intermediate level or above can progress directly into our Cambridge English program if they wish.
- Small classes of no more than 18 students allow for close levels of interaction between you and your lecturers.
- Our highly qualified and experienced teachers understand the needs of students and will provide you with the support and advice that you need.
- Emphasis on the four core language skills (listening, reading, writing and speaking).
